PUBLIC NOTICE

NOTICE OF INTENDED ACTION

In accordance with American Samoa Code Annotated ("ASCA") § 4.1004, notice is hereby given that the American Samoa Power Authority ("ASPA") intends to adopt interconnection and net energy metering laws (the "Policy"), to be codified in American Samoa Administrative Code ("ASAC") § 12.06, on or about March 11, 2008. The Policy shall become effective on April 2, 2008.

The Policy pertains to the interconnection of renewable energy generating facilities between ASPA and its customers. ASPA encourages the use of renewable energy technologies and renewable generating facilities, and has adopted these rules to make the process of interconnecting as simple and economical as possible, as well as to protect ASPA's electrical facilities from harm or damage.

In accordance with ASCA § 4.1020, the Policy may be inspected during normal business hours at ASPA's Satala office. Interested persons may submit written data, views and/or arguments on the amendments by U.S. Mail or hand delivery to the following address:

American Samoa Power Authority
Attn: Michael Keyser, CEO
Satala Office
P.O. Box PPB
Pago Pago, AS 96799

Additionally, a public hearing on the Policy will be held at the ASPA Tafuna Power Generation conference room on March 6, 2008 from 9:30 a.m. to 12:30 p.m., at which time all interested persons may submit data, views and arguments orally or in writing. The comment period shall expire and no further written submissions shall be accepted after the date of the public hearing. All written and oral submissions shall become public information upon receipt by ASPA and shall become part of the rulemaking docket.
